Sparkpeople advertising – not a complaint

Friday, September 05, 2014

Recently I decided that I have gained so much from Sparkpeople that I would like to give something back. I would buy a T-Shirt.

Unfortunately, my decision coincided with the redesign of the website and I could no longer find the link to the Spark Store. So I went to the message board Site/Technical help asking what happened to the link and immediately got an answer. I also posted my question on my status and knowledgeable Spark Friends helped me out too.

So here I am.

I like the color, so now I'm a walking advertisement for Spark People. I don't usually bring up my journey to a healthy lifestyle, unless someone asks. Maybe this will prompt them to ask – my little way of "Spreading the Spark."

I did have one concern before ordering. I couldn't find the sizing chart (not SP's fault). Sizing is handled by the supplier based on the style ordered. So I just ordered a medium. I'm usually a medium.

When I found the chart, uh oh, a medium had a chest measurement of 32-34. I wear a 36 bra. Oh well, I'll have to return it for a large. Live and learn.

Imagine my surprise when the shirt arrived and not only fit, but gave me room to spare.

To check out exactly how much room I had, I dug out my one and only Victoria's Secret "Super Bra" (bought for a special occasion and worn only once). With that thing on I measure 37.5"

Look at how much that medium shirt will accommodate. (32-34"? no way)

So it all turned out well, in fact, better than well.

Along with my order I was sent the "Spark Solution" book FREE. At this point I don't think I need to read it, but guess who is reading it? My husband – the "junk food king of the world"

Wouldn't it be great if my advertising plan attracted HIM?

I think the shirt looks so good on you and I love the way it fits. You look good in it! Glad your husband is reading the book! I don't mind the advertising because it keeps it free for us. I was on the Biggest Loser Club for 3 months before I found SPark in 2009 and it was not near as good in my opinion and I had to pay for it. I think this site is awesome!

Wow, awesome and you look terrific! I have been thinking about ordering one of their shirts as well, I would love to advertise this plan and lifestyle and I think everyone could benefit by their website and information on it. My husband joined SP as well about 1 year after I did after watching me and learning from me that you don't have to change most of what you eat, just how much and add in lots of veggies and fruits!

You look very pretty in that color. That makes me want to get a t-shirt also. I ordered a lovely orange water thermos from Spark and got the book also. It was worth reading. I am glad your husband is reading it!

You look great!! Enjoy the shirt. Fingers crossed that hubby will get it. Unfortunately, it would take a miracle for my hubby to want to eat healthier. Oh, well.
